

The Families First Coronavirus Response Act waives cost-sharing under Medicare Part B (coinsurance and deductible amounts) for Medicare patients for COVID-19 testing-related services. These services are medical visits for the HCPCS evaluation and management categories described below when an outpatient provider, physician, or other providers and suppliers that bill Medicare for Part B services orders or administers COVID-19 lab test U0001, U0002, or 87635.

Cost-sharing does not apply for COVID-19 testing-related services, which are medical visits that: are furnished between March 18, 2020 and the end of the Public Health Emergency (PHE); that result in an order for or administration of a COVID-19 test; are related to furnishing or administering such a test or to the evaluation of an individual for purposes of determining the need for such a test; and are in any of the following categories of HCPCS evaluation and management codes:

- Office and other outpatient services
- Hospital observation services
- Emergency department services
- Nursing facility services
- Domiciliary, rest home, or custodial care services
- Home services
- Online digital evaluation and management services

Cost-sharing does not apply to the above medical visit services for which payment is made to:

- Hospital Outpatient Departments paid under the Outpatient Prospective Payment System
- Physicians and other professionals under the Physician Fee Schedule
- Critical Access Hospitals (CAHs)
- Rural Health Clinics (RHCs)
- Federally Qualified Health Centers (FQHCs)

For services furnished on March 18, 2020, and through the end of the PHE, outpatient providers, physicians, and other providers and suppliers that bill Medicare for Part B services under these payment systems should use the CS modifier on applicable claim lines to identify the service as subject to the cost-sharing waiver for COVID-19 testing-related services and should NOT charge Medicare patients any co-insurance and/or deductible amounts for those services.

For professional claims, physicians and practitioners who did not initially submit claims with the CS modifier must notify their Medicare Administrative Contractor (MAC) and request to resubmit applicable claims with dates of service on or after 3/18/2020 with the CS modifier to get 100% payment.

For institutional claims, providers, including hospitals, CAHs, RHCs, and FQHCs, who did not initially submit claims with the CS modifier must resubmit applicable claims submitted on or after 3/18/2020, with the CS modifier to visit lines to get 100% payment.
